BACKGROUND

On November 29, 2004, the Planning Commission held a public hearing to consider a privately-initiated General Plan amendment request to change the *San Jose 2020 General Plan* Land Use/Transportation Diagram designation from Medium Low Density Residential (8 DU/AC) to Neighborhood/Community Commercial and conforming rezoning from R-1-8 Residential to CP Commercial Pedestrian Zoning District on 1.38 acres located at the west side of North White Road, approximately 210 feet southerly of McKee Road (253 and 271 North White Road). The Director of Planning, Building and Code Enforcement recommended approval of the General Plan amendment and conforming rezoning.

As explained in the attached staff report, the Neighborhood/Community Commercial General Plan designation is consistent with the General Plan's Major Strategies, goals, and policies. The proposed associated rezoning to CP Commercial Pedestrian is a conforming zoning that would be consistent with the
